You will then be removed from the other division and the 11th person (or next person) will be invited. We will drag every 5. Barrels will be set on the same pattern as all NTHSRA rodeos per the venue. Poles will be set in the standard pattern used at NTHSRA.
6. The NTHSRA barrels and poles committee will periodically hold single barrel races, single pole races, Barrel race series and pole race series. We will check in advance and schedule the arena just as any outside vendor with all proceeds after expenses, going to the D Awards account or earmarked for miscellaneous projects that would be beneficial to NTHSRA.
7. This committee will address all concerns and complaints regarding the running of the events of barrels and poles at each rodeo. These complaints will be made known to committee chair first and then discussed among the committee to bring forth an action plan to be presented to the NTHSRA board members.
